

4 January 1955

MEMORANDUM FOR: General Robert Cutler

SUBJECT : DCID 4/3 and DCID 4/4

1. The enclosed DCID 4/3 and DCID 4/4, adopted by the Intelligence Advisory Committee (IAC) on 14 December, are directives of great concern to, and result from hard work by, the IAC. The Director of Central Intelligence is of the opinion that these directives are of sufficient importance to be brought to the attention of the Council.

2. Would you suggest that they be scheduled as a special item for noting on an NSC agenda, or included in the 13 January oral quarterly report by the Director of Central Intelligence?
